

FREE COVID VACCINATION FOR EVERYONE IN UK

We would like to reassure people without an NHS number, including migrants, about their entitlement to the COVID-19 vaccine **and if they wish to, how to register at a GP practice.**

The details have been circulated via the Home Office and local housing, homeless and migrant teams; it explains that COVID-19 vaccines are safe and does not contain any animal or harmful ingredients. It is the best way to prevent death or serious illness from COVID-19.

They are available to **every adult** living in the UK, free of charge without any immigration checks. [Please follow the link for more information.](#)

The letter also stresses that **people do not need to have to be registered at a GP practice or have an NHS number to get the COVID-19 vaccine and what people need to do in these circumstances.**

You can access the letter and the translations [online here](#) and access guidance to help you to support the community on the [COVID-19 vaccine equalities connect and exchange hub.](#)
